COMPANY HISTORY

Friendly John Inc. is a family owned business, established in 1989. Throughout the years, the company has expanded from Dade County to the Palm Beaches. We pride ourselves in personal and quality service. Through our designated construction and special event logistics teams we guarantee your needs will be met and your expectations exceeded.

Ideal for Special Events, our deluxe units offer a roomier option for your guests. Whether a one-day intimate event or more extended function, calculating the perfect number of restrooms you need is simple and easy. Also available with an option hand sanitizer.

Our larger ADA- Compliant restroom trailer offers a more spacious interior allowing for both wheelchair maneuverability and family-friendly bathroom space. Offering the upgraded features of a deluxe while also allowing for the compliance with laws requiring adequate turning circle space.s.

This compact, multi-user sink system uses a hands-free foot pump to control the water being used to wash your hands. It conveniently fits in small spaces and comes with soap dispensers, soap tand towels. It is the most convenient way to keep hands clean.

Our extremely affordable trash boxes and liners will allow for easy placement and removal of any garbage accumulated during your event. They are also easy to dispose off and extremely practical.

Our holding tanks are the perfect solution for disposing of office trailer bathrooms waste and temporary kitchen gray water.
